TRAVEL TALK

by Nancy Sant'Angelo Reyelt

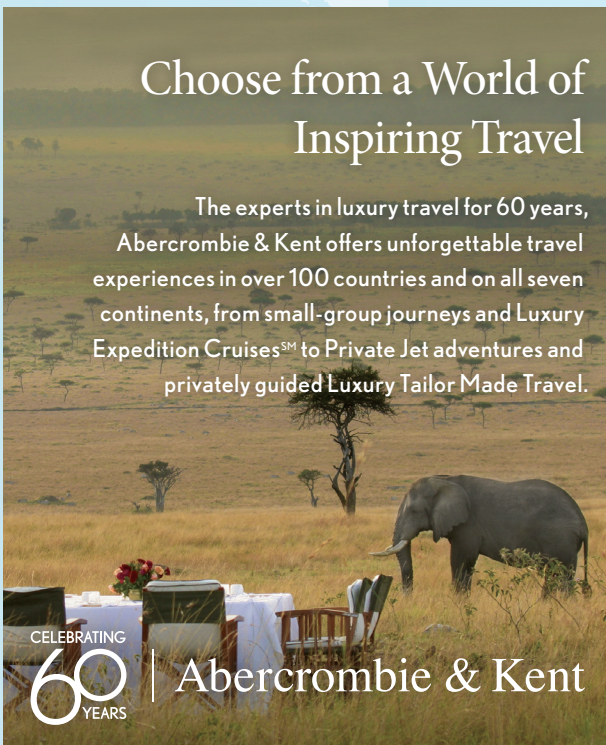

It is clear that no industry has been quite as impacted by the Covid virus pandemic, as the travel industry. From cruise lines, to airlines, to hotels, to amusement parks, plus many tourist destinations and of course travel advisors.

However, tourism is making a comeback. Many tour companies and cruise lines are offering incredible deals, with liberal cancellation policies. Don't wait until they are sold out and prices go up.

Start planning now for your next adventure. Let the experts at GET OUT OF TOWN TRAVEL arrange your vacation of a lifetime!
